The District has covenanted for the benefit of the bondholders to initiate judicial foreclosure proceedings on Assessor's parcels delinquent in the payment of their Special Tax obligation if as of October 31 of each year the total Special Tax delinquency in CFD No. 90-1 is five percent (5.0%) or more of the total Special Tax levied in the prior FY or if any single property owner is delinquent in excess of twenty five thousand dollars (\$25,000) (the "Covenant of Judicial Foreclosure" is further described in Section IV.E of this Report). As of July 08, 2017, one hundred (100) parcels are delinquent in their payment of Special Taxes in the aggregate amount of \$56,795.89. Since the total delinquent amount is 0.90% of the total annual levy and under the 5% threshold, the District is not required to take any further action against such parcels. In addition, no property owner is delinquent in their Special Tax obligation in an amount in excess of \$25,000.

SECTION III. BACKGROUND OF CFD NO. 90-1

A. Summary Table of Information

The following table shows information related to the formation of CFD No. 90-1:

CFD FORMATION	
Date of Resolution of Formation	October 16,1990
Authorized Debt Amount	\$300,000,000
County Fund Number	593.51

B. CFD No. 90-1 Background

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 eras. State Legislatures Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 *et seq.* of the California Government Code. The Act authorizes a local government agency, such as a school district to form a Community Facilities District (“CFD”) within a defined set of boundaries for the purposes of providing public facilities and services. A CFD is formed for financing purposes only and is governed by the agency that formed it.

The District formed CFD No. 90-1 to finance the acquisition, construction and/or leasing of certain school and school facilities, relocatable facilities, administrative facilities and joint use facilities.

Pursuant to an election conducted pursuant to the Act, the registered voters eligible to vote approved the levy of special taxes and the incurrence of bonded indebtedness in an amount not to exceed \$300,000,000.

C. Boundaries

CFD No. 90-1 lies completely within but is not coterminous with the District boundaries. When first formed, CFD No. 90-1 consisted of approximately 2,397 acres zoned for residential use. As new residential development has occurred within the District, additional parcels have been annexed into CFD No. 90-1.

PALMDALE ELEMENTARY SCHOOL DISTRICT
COMMUNITY FACILITIES DISTRICT NO. 90-1

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

A Special Tax, determined as shown below, shall be levied each year by the Governing Board of the Palmdale Elementary School District (the "District") within the boundaries of Community Facilities District 90-1 (the "CFD"):

1. Definitions. The following definitions shall apply:
 - (a) "Administrative Expenses" means the costs incurred by the District for the costs associated with the creation of the CFD, issuance of bonds, determination of the amount of taxes, collection of taxes, payment of taxes, or costs otherwise incurred in order to carry out the authorized purposes of the CFD.
 - (b) "Annual Special Tax" has the meaning given to that term in Section 3.
 - (c) "Assessable Space" means all of the square footage within the perimeter of a residential structure, not including any carport, walkway, garage, overhang, patio, enclosed patio, detached accessory structure, or similar area as determined by the public agency issuing the building permit.
 - (d) "Assessor's Parcel" means a parcel of land designated on a map of the Los Angeles County Assessor and which parcel has been assigned a discrete identifying number.
 - (e) "Board" means the Board of the Palmdale Elementary School District.
 - (f) "Bond Requirements" means the amount necessary taking into consideration anticipated delinquencies (i) to pay principal of and interest on the bonds at that time outstanding in the CFD, (ii) to make any deposits required to be made with respect to any reserve fund created with respect to such bonds, and (iii) to pay for Administrative Expenses.

(g) "Developed Property" means any Assessor's Parcels in the CFD which are zoned for residential use and for which a building permit for a residential dwelling unit(s) has been issued by June 15th of the prior Fiscal Year; provided, however, that Developed Property shall not include an Assessor's Parcel for which a Prepayment Tax has been levied and collected pursuant to Section 4 hereof.

(h) "Fiscal Year" means the period starting July 1 and ending the following June 30.

(i) "Ordinance" means the Ordinance adopted by the Board, as the legislative body of the CFD, pursuant to California Government Code Section 53340 to levy the Special Tax.

(j) "Prepayment Tax" has the meaning given to that term in Section 4.

(k) "School Facilities" shall be those school facilities (including land) and other facilities which the CFD is authorized to acquire, lease and/or construct.

(l) "Special Tax" means the maximum special tax that may be levied on any Developed Property or, on Undeveloped Property for any Fiscal Year. Special Taxes include, collectively, Annual Special Taxes and Prepayment Taxes.

(m) "Tax-Exempt Property" means any property within the CFD which is not Developed or Undeveloped Property, and includes property owned or operated by a public agency.

(n) "Undeveloped Property" means any Assessor's Parcel in the CFD which is Zoned for residential use and for which no building permit has been issued by June 15th of the previous Fiscal Year.

(o) "Undeveloped Property Tax" has the meaning given to that term in Section 5.

(p) "Zoned" means any lot or parcel of land used, zoned, allowed or designated for a residential purpose on the applicable General Plan, Specific Plan or Community Plan which the City of Palmdale or the County of Los Angeles utilizes and relies upon for planning purposes and for the approval of development.

2. Classification of Property. At the beginning of each Fiscal Year or at such other time as the Board deems desirable, beginning in 1990 the District shall cause each Assessor's Parcel in the CFD to be classified as one of the following: Developed Property, Undeveloped Property or Tax-Exempt Property.

3. Developed Property: Annual Special Tax. A Special Tax may be levied pursuant to this Section on Developed Property to the extent necessary to pay the Bond Requirements and to provide for the cost of constructing, leasing and/or acquiring the School Facilities.

All Developed Property shall be subject to a maximum Special Tax (the "Annual Special Tax") in each Fiscal Year equal to \$0.22 per square foot of Assessable Space; provided, however, that the Annual Special Tax rate of \$0.22 per square foot of Assessable Space shall be increased in each Fiscal Year after the Fiscal Year ending on June 30, 1991 by an amount equal to 2% of the maximum Annual Special Tax rate for the prior Fiscal Year.

4. Alternative Prepayment Tax. In lieu of paying an Annual Special Tax on Developed Property, the owner of any Assessor's Parcel of Undeveloped Property may elect to prepay the Annual Special Tax (the "Prepayment Tax") (i) with respect to any Assessor's Parcel for which a building permit has been issued prior to the adoption of the Ordinance, within 30 days after the adoption of the Ordinance, and (ii) with respect to any Assessor's Parcel for which a building permit has not been issued prior to the adoption of the Ordinance, at or prior to the time of issuance of a building permit with respect to such Assessor's Parcel. The maximum Prepayment Tax rate which may be levied in each Fiscal Year is \$2.25 per square foot of Assessable Space; provided, however, that the maximum Prepayment Tax rate shall be increased in each Fiscal Year after the Fiscal Year ending on June 30, 1991 by an amount equal to 2% of the maximum Prepayment Tax rate for the prior Fiscal Year. Upon payment and satisfaction of any Prepayment Tax, the Assessor's Parcel with respect to which such Prepayment Tax has been levied and collected shall be characterized as Tax Exempt Property and shall not be subject to an Annual Special Tax. Prepayment Taxes levied and collected pursuant to this Section 4 may be used to pay the Bond Requirements and to provide for the cost of financing, constructing, leasing and/or acquiring the School Facilities.

5. Undeveloped Property Tax. A Special Tax may be levied pursuant to this section on Undeveloped Property (the "Undeveloped Property Tax") to the extent necessary to pay

the Bond Requirements subject to the limitations set forth below.

In the event that on July 1 of any Fiscal Year, the maximum projected revenues that can be generated from the levy of the Special Tax for such Fiscal Year on all Developed Property together with all other funds of the CFD legally available to pay the Bond Requirements, shall be insufficient to pay the Bond Requirements for such Fiscal Year due to anticipated delinquencies in the payment of Special Taxes, then all Undeveloped Property shall be subject to a Special Tax, for such Fiscal Year only, up to an amount not to exceed, per acre of Undeveloped Property (or a proportionate amount thereof for any portion of such acre), the lesser of (i) \$750 or (ii) the aggregate amount of the actual delinquencies in the payment of Special Taxes for the prior Fiscal Year, divided by the total number of acres of Undeveloped Property in the District.

6. Calculation of the Special Tax on Developed Property and Undeveloped Property.

At the beginning of each Fiscal Year, beginning in 1991, the Board, as the governing body of the CFD, shall cause the Special Tax to be calculated and levied as follows:

First: For each parcel of Developed Property, the Board shall compute the amount of the Assessable Space and multiply that amount by the Annual Special Tax rate in effect for such Fiscal Year pursuant to Section 3 hereof.

Second: If additional monies are needed to pay the Bond Requirements after the maximum Annual Special Tax rate has been levied on all Developed Property pursuant to the first step, the CFD shall apply all legally available monies of the CFD to the payment of the Bond Requirements.

Third: If additional monies are needed to pay the Bond Requirements after the first two steps have been completed, then the CFD shall levy an Undeveloped Special Tax on each parcel of Undeveloped Property in an amount sufficient to pay the Bonds Requirements up to the maximum amount specified in Section 5.

Fourth: In addition, for all Undeveloped Property, the Board shall declare the Prepayment Tax rate in effect for such Fiscal Year at which time an owner can elect to prepay the Annual Special Tax.

7. Limitations. The Board shall not impose any Special Tax on any Tax-Exempt Property.

8. Appeals and Interpretation Procedure. Any taxpayer subject to the Special Tax claiming that the amount or application of the Special Tax has not been properly computed may file a notice with the District appealing the levy of the Special Tax. The Superintendent or designee will promptly review the appeal and, if necessary, meet with the applicant and decide the appeal. If the findings of the Superintendent or designee verify that the tax should be modified or changed, the special tax levy shall be corrected and, if applicable, a refund shall be granted. Any dispute over the decision of the Superintendent or designee shall be referred to the Board and the decision of the Board with respect to the Special Tax shall be final.

Interpretation may be made by Resolution of the Board for purposes of clarifying any vagueness or uncertainty as it relates to the application of the special tax rate, or application of the method of apportionment, or the classification of properties or any definition applicable to the CFD.

9. Claims for Refund. All claims for refund of Special Taxes collected on behalf of the CFD shall be filed with the Superintendent of the District not later than one year after the date the Special Tax has been paid to the County. The claimant shall file the claim within this time period and the claim shall be finally acted upon by the Board as a prerequisite to the claimant bringing suit thereon.

The procedure described in this Rate and Method of Apportionment of Special Tax shall be the exclusive claims procedure for claimants seeking a refund of Special Taxes. The decision of the Board in response to a claim for refund of Special Taxes shall be final.

10. Collection of Special Tax. The Annual Special Tax shall be collected each year upon the applicable Assessor's Parcels in the CFD in the same manner as ordinary ad valorem property taxes are collected and the Prepayment Tax shall be collected by the Board at the time of issuance of a building permit; provided, however, that the CFD may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations. All Special Taxes shall be subject to the same penalties and lien priorities in the case of delinquency as is provided for ad valorem taxes. The District shall cause the actions required above to be done for each Fiscal Year in a timely manner to assure that the schedule of the Special Taxes to be collected are received by the Auditor of the County of

Los Angeles for inclusion with billings for such ad valorem taxes for the applicable Fiscal Year. The Special Tax shall be levied and collected only so long as it is needed to pay the Bond Requirements or to pay to construct lease and/or acquire the facilities of the CFD. In the event of a delinquency, the CFD will pursue foreclosure in a timely manner.
